HOW TO COMPLETE THIS DIARY

Please give an overall assessment of the session of which you are claiming CME Credits, taking in consideration the scientific standard, educational abilities of the speakers and the professional relevance of the information provided.

Scale definition:

• E = Excellent • G = Good • M = Moderate • P = Poor

The ICPP16 is granted **14 European CME credits** by the European Accreditation Council for Continuing Medical Education (EACCME). An agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at: www.ama-assn.org/go/internationalcme

Please give your feedback to allow us to improve the scientific level as well as the quality of the logistic organization of ICPP.

1/ Scientific program: What kind of sessions would you like to see included at future courses?

2/ Please tell us how satisfied were you with:

- The registration process dissatisfied satisfied very satisfied
- The conference materials provided dissatisfied satisfied very satisfied
- The conference facilities: dissatisfied satisfied very satisfied
- The catering: dissatisfied: satisfied very satisfied
- The leisure: dissatisfied: satisfied very satisfied
- The conviviality: dissatisfied: satisfied very satisfied

3/ Please tell us how much you agree or disagree with the following statements:

- The course was well organized: disagree agree strongly agree
- The course staff was helpful and courteous: disagree agree strongly agree

4/ And also...

- What do you like most about the conference?

- What do you like least about the conference?

- Approximately how many courses of this type do you attend annually?
1-2 3-4 more Don't usually attend courses
- Do you plan to attend this course again next year?
Yes No Don't know
- Would you recommend this course to others?
Yes No Don't know
- How would you rate this course compared to others of this type that you attended
Poor Average Very good Excellent
- In what way could this course be improved?

Thank you for your kind cooperation!
